Parent & Student Testimonials—PLEASE SEND

One extremely valuable tool in our marketing for Lutheran High is personal testimonials from both current and past students and parents. If you check out our website, you can see that we use them on the site itself and in our newsletters and brochures.

We would love to have some additional testimonials to share. Would you please take a moment to send your thoughts about Lutheran High and the impact it has had on you and/or your child to kscholl@lhseilkgrove.com? They can be one sentence or a complete story. All are welcome! Thanks so much!

International Student Youth Group

Wednesday, January 6, the International Student Youth Group will kick-off after school from 3:15—5:15 in Room 102. All international students are welcome. Come check it out on January 6!

Auction Planning Meeting—January 4

The next Auction planning meeting will be held Monday, January 4, rather than the last Monday in December. The meeting will be held at 6:30 p.m. at Lutheran High.

With the auction date about a month earlier this year, we are thankful for everyone who is willing to lend a hand. *Please come out and join us!*

Mandatory Meeting for Parents/Guardians of Seniors

A mandatory meeting for all parents/guardians of seniors will be held Wednesday, January 6, at 6:30 p.m. in Room 106. Please email Mrs. Galloway at sgalloway@lhseilkgrove.com with any questions.

Academic Decathlon—February 6

Lutheran High will be participating in California's Academic Decathlon for the very first time on February 6, 2010. In this event, students from various schools compete with each other in ten subjects: art, economics, essay writing, interview, language and literature, mathematics, music, science, social science, and speech.

The Academic Decathlon, established in 1968 in southern California, quickly expanded to include schools from elsewhere in California in the 1970s, and schools in other states beginning in 1981. Since then, it has become "the most prestigious high school academic team competition in the United States," according to the organization's Web site (www.usad.org). Students will compete against other schools in Sacramento County on February 6, with the winning team advancing to the state competition in March.

The students participating on this year's team include Hung Kieu, Yiwen Liang, Hang Nguyen, Adam Santucci, Tony Tran, and Khoa Truong. Please join with us and cheer them on in February!!
