Congratulations to Breanna Prasad!

LHS senior Breanna Prasad just returned from the New York Film Academy's scholarship competition in Florida. The competition covered seven different events including singer/songwriter, improvisation, and photography, just to name a few, and was judged by talent agents from around the country.

Breanna's hard work and dedication paid off, and she was awarded one of five \$20,000 scholarships to attend the academy.

Congratulations, Breanna, for a job well done!

January 8, 2010

Dear Parents,

This year seems to be flying by. We are half way finished with a great school year. Included with this letter are your student's grades. We are so proud of the student body. The students have put forth great effort in the first half of the year and their grades reflect their efforts. They are to be commended!

We are busy planning for next year. Part of that planning process is determining the number of students we will be serving next year. Please take a few minutes to complete the form on the bottom of this letter and return it to Lutheran High as soon as possible.

Will you also please take a minute a think about children of family, friends, and work associates who may greatly benefit from the Lutheran High experience? Now is the time to talk to them about the school we are all so proud of. Public schools are over crowded and present great challenges to students academically, socially and morally. Lutheran High is a safe, faith-filled learning environment that can prepare their children for life success also.

Trusting in His promises,

Sharon Kaminskas
Executive Director
