NEEDED—Parent & Student Testimonials/Quotes

One extremely valuable tool in our marketing for Lutheran High is personal testimonials and/or quotes from both current and past students and parents. If you check out our website, you can see that we use them on the site itself and in our newsletters and brochures.

We would love to have some additional testimonials to share. Would you please take a moment to send your thoughts about Lutheran High and the impact it has had on you and/or your child to kscholl@lhselkgrove.com? They can be a one-sentence quote or a complete story. All are welcome! Thanks so much!

Join us for Dinner at Chevy's—January 20

Academic Decathlon—February 6

Lutheran High will be participating in California's Academic Decathlon for the very first time on February 6, 2010. In this event, students from various schools compete with each other in ten subjects: art, economics, essay writing, interview, language and literature, mathematics, music, science, social science, and speech.

The Academic Decathlon, established in 1968 in southern California, is "the most prestigious high school academic team competition in the United States," according to the organization's Web site (www.usad.org).

The students participating on this year's team include Hung Kieu, Yiwen Liang, Hang Nguyen, Adam Santucci, Tony Tran, and Khoa Truong. Please join with us and cheer them on in February!!
