The Variety Show is taking place at Trinity Lutheran Church  
1500 27th Street, Sacramento, CA 95816 from 6-8 p.m.

All students involved in the show **must** be at Trinity by  
**4:00 p.m.** for a run through of the show.

### Sophomore students & parents!

Please return any unsold Entertainment Books and/or  
money by Monday, November 23rd.

*Thank you! Mr. Simmons*

### GIVING DAY IS FAST APPROACHING!

Your student should be coming home next week with the  
“Family” that their group is adopting for Giving Day.  
Please assist them in purchasing or obtaining the items they  
need. We will also need **DRIVERS** for the actual Giving  
Day which is on Wednesday, December 9th. If you can  
assist us with that it would be very much appreciated. You  
can sign up to drive and drop off if it works into your  
schedule or just pick them up when they are done and re-  
turn them to school. Also needed is someone with a truck  
that could deliver the Christmas trees to the various house-  
holds. That can be done the day before or early in the  
morning of December 9th. Please call the school office if  
you can help. PoPS hours will be given.

### Kids-Can Food Drive

Is over and we collected 538 cans! Here are the  
class standings:

Seniors	131 cans (5.7 cans/person)
Juniors	76 cans (7.6 cans/person)
Sophomores	92 cans (7.7 cans/person)
Freshmen	202 cans! (22.4 cans/person)

Thank you everyone for being so generous!  
A special thanks and congratulations to the  
Freshmen class and their parents!

### Elk Grove Dickens Faire—November 28

The Elk Grove Dickens Faire is fast approach-  
ing. This is a great time to connect with the Elk  
Grove community and get the word out about  
what a great school we have.

**WE STILL NEED** help for the shifts from  
2:00-5:00. If you can help please call the  
school office. This is a fun way to get your  
POPs hours.

### **A NEW MIRROR HAS BEEN DONATED FOR THE DRIVEWAY TO THE PARKING LOT but we need your help putting it up!**

**We need 2-3 people to help put up the  
mirror sometime in the next week or so. It  
would require standing on a ladder and  
attaching the mirror to the pole that is  
located by the dumpster. If you can help  
call the school office and we'll figure out a  
time. Since next Friday is a holiday for  
most that might be a possibility. PoPS  
hours will be given.**

### Let's Decorate the Campus for Christmas!

Do you have extra strings of Christmas lights you  
won't be using this year? We'd like to hang them  
around the school campus to make it look festive,  
especially around the fences that line Bruceville  
Road.

Please drop off your extra Christmas at the school  
office no later than November 24. Thank you!!!
